

First Aid at Work

Three Day (18 Hour) Practical Course

18 Hrs

In- House

Overview

This course is ideally suited to workplaces where a risk assessment has identified the need for staff to possess appropriate first aid skills and knowledge.

This **3 day** course is presented at your workplace, under the guidance of our specialist First Aid at Work trainers, uses the latest training techniques to maximise learner recall and confidence, and meets HSE regulations.

Who is the course suitable for?

- All **higher risk** workplaces that have identified a need for comprehensive first aid e.g. light engineering and assembly work, food processing, warehousing, extensive work with dangerous machinery or sharp instruments, construction, chemical manufacture.
- People new to first aid
- People needing to renew their first aid skills and knowledge

What to expect

- Comprehensive trainer-led practical training
- Flexible start / end times to suit your workplace
- Professional, qualified, and dynamic trainers
- Specialist advisors to help you manage your In-House booking
- Free online annual refresher
- Fully certified for 3 years

Location, Duration, and Numbers

This **18 Hour** Tutor Led Practical Training course is presented In-House at your workplace. You are free to choose the start / end times, however we recommend starting at approximately 09.00 to enable the course to finish by approximately 16.30

As per HSE guidelines we restrict our courses to **12 learners per trainer** - although there is no limit to the number of learners you may include as we can supply multiple trainers.

Refresher Training

The HSE recommend learners update their skills annually. Tigerlily Training provide **free online refresher** training
