First Aid Accreditation Award

We firmly believe in the importance of providing high standard, on-going First Aid Training. In order to recognise companies that share these values, and can demonstrate their on-going commitment to First Aid Training, we have introduced our nationwide Accreditation Award

Our Award

We present this award to companies who are committed to ensuring that at least 90% of their staff hold an up to date First Aid Certificate

Recognising Your Commitment

Our Accreditation Award is designed to be displayed on your website. This helps to demonstrate to clients, customers, employees, and other web-visitors that your company is committed to First Aid Training

How it Works:

- Book your First Aid Training with us - either online or by calling us to speak with one of our Booking Consultants
- Once you have completed your training, fill out the application form and send it to us via email or post. **Please note that you will only be eligible for the First Aid Accreditation Award if at least 90% of your staff are trained in first aid with Tigerlily Training**
- We will contact you once your application has been processed and provide you with your digital Accreditation Award and your Accreditation Award Sticker. There is also the option to have an Accreditation Award Plaque for an additional charge - please specify on your application form whether you would like the Accreditation Award Plaque
- (Optional) Once you have received your award, send us a photo and you will be added to our social media shoutout!
