

Full Paediatric First Aid - Blended

One Day (6 Hour) Practical & One Day (6 Hour) eLearning

Ofsted Criteria

In- House

eLearning

Overview

This innovative course blends **6hrs** of **practical** training with **6hrs** of **eLearning**. The practical day is presented at your setting on a date of your choosing. We use the latest training techniques to maximise recall and provide learners with the skills, knowledge and confidence to act effectively when paediatric emergencies arise.

What to expect

- Comprehensive trainer-led practical training day
- Flexible start / end times to suit you
- Fully interactive eLearning
- Free online annual refresher
- Meets the EYFS standards
- Professional, qualified, and dynamic trainers
- Suitable for new or experienced first aiders
- Fully certified for 3 years
- Certificate of Achievement and window sticker for your setting

Location, Duration, and Numbers

- **Practical Day;** This takes place at your setting on a date / time of your choosing.
- **eLearning;** This stage is completed via any internet device, and takes approximately 6hrs to complete. eLearning must be completed prior to and within 6 weeks of your practical training day.

As per HSE guidelines we restrict our courses to **12 learners per trainer** - although there is no limit to the number of learners you may include as we can supply multiple trainers.

Refresher Training

The HSE recommend learners update their skills annually. Tigerlily Training provide **free online refresher** training.
