

Anaphylaxis & Asthma

2 Hour Virtual Course

2 Hrs

Overview

Our **2 hour** Anaphylaxis & Asthma Course is delivered with a qualified trainer online. The course provides essential information and skills for anyone working with children or adults with allergies. There is a known link between Anaphylaxis and Asthma, so the course focuses on the prevention, recognition and treatment of Anaphylaxis & Asthma, including the use of Auto-Injector Pens. Please note whilst the trainer will demonstrate the use of an auto-injector we can not assesses the learner.

Who is the course suitable for?
